RE: Burn Ban

On June 29th, 2023, Tribal Government made a motion to suspend ALL BURNING ON TRIBAL LANDS EFFECTIVE IMMEDIATELY. This came from a recommendation from our O.E.S. Dept. Due to the current dry and windy weather conditions that we are experiencing this year, and the fact that we are having numerous fires on Tribal lands, it is in the best interest of all to suspend burning until further notice.

Thank you for your understanding and compliance.

Respectfully,

Theresa Laughlin, O.E.S. Director.
