Position Description

Title: Green House Laborer
Department: Administration
Reports To: Tribal Administrator
Location: Alturas
Status: Temporary
Rate of Pay: \$30 - \$35 per hour

Summary:

The Green House Laborer will assist in the disassembly of deteriorating greenhouses. This temporary role involves physical labor, with a strong emphasis on safety and organization during the disassembly process.

Responsibilities:

- Safely disassemble greenhouses following established protocols.
- Sort and pile parts from disassembled greenhouses for disposal or recycling.
- Perform general labor tasks, including cleaning and maintaining work areas.
- Dispose of materials in compliance with environmental regulations and company policies.
- Collaborate with team members to ensure efficient project completion.

Qualifications:

- Availability to work a full-time schedule (8 hours a day) for 3 weeks.
 - Ability to lift and carry up to 50 pounds.
 - Capable of performing labor-intensive work in various weather conditions.
 - Previous experience in general labor or construction is preferred but not required.
 - Strong attention to safety and detail.
 - Good communication skills and ability to work as part of a team.
-

This position offers a unique opportunity to contribute to a sustainable project while gaining hands-on experience in a labor-intensive environment. If you are a reliable and hardworking individual, we encourage you to apply!
